

The EVC/CEO hosted the Director-General, Defence Research and Development Bureau (DRDB), Maj. Gen. E. A Ndagi, and his team for a follow-up discussion on advancing indigenous innovations for Nigeria's security and technological development.

He also hosted the Special Adviser to President Bola Ahmed Tinubu on Media and Public Communications, Mr. Sunday Dare at the Agency's headquarters in Abuja and on a guided tour of some NASENI's groundbreaking indigenous innovation.

The Power Equipment and Electrical Machinery Development Institute (PEEMADI), Okene, Kogi State, an institute of NASENI, in collaboration with NYESAF and The World Bank are set to host the Nigeria Skills Qualification (NSQ) Certification training programme to empower youths with renewable energy skills.
